How it works:

- 1 Send your Shipping Instructions as usual, via EDI, myMSC, INTTRA, GT Nexus, Cargo Smart or by email to an MSC agent.
- 2 Our agent will review the Shipping Instructions and create the draft BL, which will be sent to you by email, with a PDF attachment and a link to our draft BL on the myMSC platform.
- 3 Open the link, preview the draft BL, make any necessary updates or corrections, save it for later, share it with someone else, or simply approve it. To do this, you do not need to pre-register on myMSC.
- 4 Once approved, the MSC agent will proceed with the release of your BL.
