

## SOLAS VGM

### Government approval status:

As instruction from Ministry of transportation and followed by terminal, ICD and acceptance from feeder/barge operators, terminal and main shipping lines have agreed to the following:

- VGM to be submitted in hard copy to terminal, ICDs by shipper at time of gate in.
- Terminals will apply the policy of NO VGM = NO GATE IN and NO LOAD.
- Shippers are required to submit VGM to carrier as per carrier's cut off.
- Tolerance is 500Kgs for cargo less than 10 Tons and 5% over 10 tons.
- For more information visit [Ministry of Transportation website](#)

### What to include in your VGM instructions?

- The following items are mandatory and must be on all VGM instructions:
- Booking or Bill of Lading number
- Container number
- VGM -- Verified Gross Mass
- Weighing Method (1 or 2)
- Authorized person's signatory (submitter of the VGM who are authorized to act on behalf of shipper)
- Responsible Party (Shipper's Name)
- Vessel Name & Voyage

### Admin Fees and costs

MSC strongly recommends customers to submit VGM via online submission. There are no administrative charges imposed by MSC for the moment. Should there be new information, it will be shared with you.

Should there be any charges levied by the 3rd party or by MSC incurred because of NO VGM received timely, it will be on Shipper's account.

### Recommendations

It is recommended that shippers keep the VGM records for future references if required. If in doubt, always contact MSC's local agency office.
