

# WORKING WITH MSC IN THE UK

# A WORLD LEADING SHIPPING AND LOGISTICS COMPANY

Operating the largest containerised cargo network in the UK, working with MSC you're connecting your businesses with the world's leading independent container shipping line. Accessing our market-leading UK port range and intermodal solutions, supported by our award-winning local team of experts, you'll benefit from increased flexibility and reliability while decreasing your supply chain risk and reducing carbon emissions. No matter the size or diversity of your business, you can trust MSC - and rely on the largest intermodal and logistics offering to market. A family business with traditional values delivered in a modern way.

## OUR PROUD UK HERITAGE

### UK'S LARGEST LOGISTICS PROVIDER

Our dedicated UK team and loyal customers have been pillars of our proud UK heritage, dating back over 40 years. [Starting out in 1977 as a five-person operation above a shoe shop in Hull](#), today we are the UK's largest container shipping, intermodal, and logistics provider.

### DEDICATED UK TEAM

What makes MSC stand out in our industry is our team of over 650 people. Operating from four regional offices in Ipswich, London, Liverpool and Glasgow, supported by our national team across the UK, we're committed to delivering customer excellence and finding the best solution for your cargo.

### WHY MSC?

By choosing MSC, you gain access to 12 ports across the UK, the widest range offered by any shipping line, providing 25 weekly deep-sea calls. This is complemented by an extensive European feeder network that integrates seamlessly with our market-leading landside network of dedicated road and rail solutions. This not only helps us move your cargo closer to its final destination, it also saves on average, over 19 million road miles a year, delivering you increased flexibility, reduced carbon emissions and improved reliability and security for your cargo's supply chain.

### A SUSTAINABLE APPROACH

We are equally as passionate about our heritage as we are our future, which is why we promote a [sustainable business model](#) to ensure we continue to deliver our market leading services for our customers whilst protecting our oceans, planet and future.

## OUR SOLUTIONS

Access an extensive range of solutions that form a seamless supply chain providing a true door-to-door solution via road, rail and sea.
