A FAMILY COMPANY CARING FOR YOUR BUSINESS

Above all, MSC is a family company with strong values and a deep shipping heritage dating back 50 years. Despite our global presence and large-scale operations, we understand that each customer has different needs, so we go the extra mile to find tailor-made solutions.

Founded by Captain Gianluigi Aponte, MSC Mediterranean Shipping Company (MSC) is a privately-owned shipping line established in 1970 and headquartered in Geneva (Switzerland) since 1978. The company's international headquarters supervise a worldwide network of offices, each responsible for commercial and operational activities in their respective countries.

MSC is a world leader in global transportation and is part of the MSC Group shipping conglomerate, a global business in the transport and logistics sector. The Group encompasses a Cargo Division with MSC Mediterranean Shipping Company (MSC), Terminal Investment Limited (TiL), MEDLOG and a Passenger Division led by MSC Cruises and complemented by Mediterranean passenger ferries Grandi Navi Veloci (GNV) and SNAV.

AN END-TO-END JOURNEY FOR YOUR CARGO

MSC takes care of your cargo from pick-up to delivery, providing a single point of contact for the entire journey. Whether your cargo travels by land or sea, we support you throughout its journey, ensuring a reliable and optimised supply chain.

We are proud to be a stable and reliable partner for thousands of businesses around the world. We support all type of industries, supplying specific expertise for breakbulk, flexibags, reefer solutions and hazardous cargo.

MSC invests continuously in assets and technology to optimise solutions, deliver the best possible customer service and ensure a sustainable approach.

INTERMODAL SOLUTIONS IN LATAM & THE CARIBBEAN

Since 1991, MSC's dedicated team in Latam & the Caribbean has provided new alternatives and cost-efficient solutions to ensure on-time deliveries.

Our local experts offer flexible and reliable transport by road, rail and barge, coupled with logistics solutions, to meet your business requirements.

MSC's global and established network serves all industries worldwide.
